

# Creating an Illustrated Manuscript

Follow these steps to create an illustrated manuscript about the life of Muhammad:

1. Create a cover with a title and with designs that incorporate colorful geometric shapes.
2. Create four pages about the life of Muhammad that include
  - Information from each of the first four pages of your Reading Notes.
  - Colorful and appropriate illustrations (no human or animal figures). Illustrations may not be images downloaded from the Internet or computer. They may be hand drawn or created using a graphics processor.
  - All the words from Step 1 in the first four pages of your Reading Notes. Underline these words on the appropriate page.
  - At least one large Arabic word on each page.
  - Between 200 and 300 words total.
3. Prepare a rough draft of your manuscript and have someone else review it. Type or write your final draft neatly in ink.
4. Add creative touches to make your manuscript look authentic.
5. This project is due on Thursday, January 14<sup>th</sup>.
6. This assignment is worth a total of 50 points.
