## **Handout 12.2**

1. What foreign dangers did the United States face during the Washington administration?
2. In his farewell address, Washington recommended that the United States take a neutral, or isolationist, stand in foreign affairs. What are the advantages of Washington's advice?
3. What are the disadvantages of Washington's advice?
4. What role did geography play in Washington's thinking?
5. Do you think the United States today could live according to Washington's advice? Why or why not?
